

WHAT YOU NEED TO KNOW ABOUT YOUR TRAVEL ARRANGEMENTS

The most expensive part of the Event Production is THE COST OF THE COMPETITION ARENA. The way that we pay for this is by YOU using our ROOM BLOCK! The way to do this is to Be SURE to use our OFFICIAL TRAVEL HOST when YOU BOOK YOUR STAY AT OUR GAMES VILLAGE.

YOU might be able to get a better price if you don't use our Official Travel Host, this is a possibility. However, we MUST have the 450 Room Night Block filled! This is the only way to AVOID AN EXTRA CHARGE OF \$100.US Per Person. Please, try to save money by checking for Early Booking Air Fare, Frequent Flyer Points, Group Air Fares and other promotions. Rest assured that, our Travel Host will provide the Best overall Deal! **By the way, we have a FANTASTIC DEAL OUT OF TORONTO, CANADA. We fly into Buffalo, N.Y. and either get a two hour Shuttle, Bus Ride or Kyoshi Verbakle will have some of his people come to The Buffalo, NY Airport and pick you up for the trip to the Toronto Airport!**

In the end, we have to check our Rooming List, provided by the Games Village Resort against the Competitor & Spectator List and Charge the extra \$100 fee to those Competitors, Spectators, Coaches and Directors, who don't have their name on our Rooming List. Please, work with us and help ALL OF US AFFORD to have a FANTASTIC MARTIAL ARTS VACATION with lots of FUN IN THE SUN at the:

World Congress of Martial Artists 2011 World Championships San Juan, Dominican Republic
